Garnet Transparent Basin With Chrome Pop Up Drain Chrome

**390100111340**

This Garnet Transparent basin appears to be a modern wash basin with an alluring gradient design, transitioning from a lighter shade at the top to a deeper, darker hue at the base. The material looks to be a high-quality resin stone, giving it a sleek and contemporary appearance. It comes with a pop-up waste, which is a convenient feature allowing for easy opening and closing of the drain. The circular shape and the rich color palette suggest that it would add a touch of elegance and sophistication to any bathroom decor.
