#### Sofia Vanity With Mirror

**390100111381**

The Sofia Vanity is a masterpiece of contemporary design, blending functionality with an aesthetic that speaks to modern elegance. With its sleek, integrated sink and expansive counter space, this vanity unit is as practical as it is beautiful. The design features a rectangular silhouette with softened edges, creating a look that is both sophisticated and approachable. The vanity's unique striped facade is accented with gold-finished legs.
