ITALY SLAB LA FABBRICA SCRATCH LIGHT

394500200029

Scratch, a top-tier Italian ceramic, maximally harnesses its ductility to capture the essence of raw materials like rusty metals and scratched blackboards. These rough textures shape its unique appearance, creating an evolved, versatile material fit for modern designs. It's not just a surface; it absorbs ambient vibes and re channels them, offering a fresh, metropolitan look for contemporary interiors.
