Stonium Arabesk Washbasin With Drain Beige

390100111779

This arabesque wash basin showcases an exquisite design inspired by traditional Middle Eastern art. The basin features intricate geometric patterns and motifs that create a filigree effect. One of the standout features of this basin is its decorative exterior which not only serves an aesthetic purpose but also improve grip. The wide, open top ensures ample space for washing, while the basin's slope toward the drain suggests efficient water flow.
